## The Blessing. The Benefit & The Bishop

All creatures great and small, regardless of whether they are furry, finned, winged or scaled, are welcome to attend the service with their people companions and to receive a special blessing on Sun., Oct. 4 at St. Luke's Episcopal Church in Haworth. The blessing takes place in the middle of the 10:30 service of Holy Eucharist, where no one minds the cacophony that punctuates the preaching.

This year, St. Luke's will be honored to have the Right Reverend Mark Beckwith, Bishop of the Episcopal Diocese of Newark, as celebrant and preacher at the service. Bishop Mark will also officiate as "blesser" of the animals whose people companions bring them to church.

In a brand-new ministry this year which dovetails with its current outreach efforts on behalf of the homeless and hungry in Bergen County,

St. Luke's will accept donations of food, blankets, toys and funds to benefit several local animal welfare organizations that minister to lost, homeless and abandoned pets, including C.L.A.W.S., FOCAS and the Bergen County Animal Shelter.

The service, which is one of the most popular of liturgies all year, offers special prayers in honor of St. Francis of Assisi and celebrates the beauty of the natural world, especially the gifts offered to us by our animal companions. The 10:30 A.M. service of Holy Eucharist is followed by a time of fellowship and refreshments in the parish hall, a forum led by Bishop Beckwith and, at approximately Noon, a Pet Adopt-a-thon courtesy of volunteers from C.L.A.W.S (Closter Animal Welfare Society) and FOCAS featuring local pets ready to head to their forever home.

“Mark,” as the Bishop prefers to be called, has four specific questions he is asking of every congregation he visits:

- When are you as a congregation at your best?
- What is the congregation’s purpose?
- What are your challenges – “What gets in the way of living out your mission?”
- What would you like to ask me, or want me to know so the Diocese can be of assistance in supporting your mission and ministry?

It’s time now to ponder these questions, and to make notes. Come prepared to enter into dialogue with the other members of the congregation and with your Bishop.

Bring your best buddy, critter, or creature along with you for a fantastic morning and glorious celebration!

## Electronic Giving: Fast, Easy & Secure!

### Help Us Grow

An analysis of Electronic Giving was undertaken in an effort to more effectively make St. Luke's more consistent with the world's capabilities in handling and managing its collection of funds. At the urging of Father Joe, the Diocese of Newark and, with the full support of the Vestry, Greg Paller performed an analysis to assess the ability of **Vanco Payment Solutions** ([www.vanco.com](http://www.vanco.com)) to fulfill this potential collection capability at St. Luke's.

This analysis is now complete and we are excited to announce the implementation of an Electronic Giving capability at St. Luke's. Now congregation members will be able to make their offerings electronically. The new system makes it even easier for you to support the work of St. Luke's.

We have indeed chosen Vanco Payment Solutions as the third-party service provider. St. Luke's will be using to manage member profiles,

create the necessary reports in support of counting and bookkeeping, and to efficiently process the electronic banking transactions involved. Vanco Payment Solutions is an industry leader in electronic collections solutions and comes highly recommended by several other churches in the Diocese.

With Electronic Giving, you can have your weekly or monthly offerings debited from your checking or savings account and electronically transferred directly into the St. Luke's operating accounts safely, easily and securely. Alternatively, you can set up your profile so that regular charges to your credit or debit card can be processed. You'll never have to remember to bring your checkbook and envelope to church again!

No matter which payment method you choose, the frequency and start-up date is totally up to you. Even when travel, illness or other circumstances prevent you from attending services, your offerings will continue to be received electronically on an uninterrupted basis.

To set up your profile and get things started, please visit the St. Luke's donation web page at [www.bit.ly/StLukesOfferings](http://www.bit.ly/StLukesOfferings) and click the "Create Profile" link in the lower right hand side of the page. From there, you will be given easy-to-follow instructions.

Another option is to email Greg Paller ([gjp215@optonline.net](mailto:gjp215@optonline.net)) in order to set up a meeting over the phone where Greg will walk you through the online steps involved in creating your profile.

Don't worry, there's no obligation, you can cancel your account at any time.

Future enhancements to the St. Luke's website and Facebook page will include further descriptions of the available capabilities; as well as links to the Donation webpage. Greg has taken the responsibility of managing this new process so, if you have any further questions, don't hesitate to contact Greg.

We are all looking forward to getting this system up and running effectively so that any member of the congregation who so desires can be set up with Electronic Giving!

So, why don't you get started today?

— Greg Paller

# Confirmation Prep

**Preparations for Confirmation have begun!** Our District 9 Confirmation date is **Sun., April 4, 2016, in an afternoon Service at the Cathedral in Newark at 3 P.M.**

Many of our District congregations have only one or two people at an age appropriate level to begin the preparation for Confirmation. St. Luke's is pleased to support two candidates for confirmation this year: **Patrick Plunkett and T.J. Pellegrin.**

If you are interested in joining the church for the first time, being received into the Episcopal Church from another denomination or renewing your baptismal vows, you are welcome to do so. Please see Fr. Joe about instructions for preparing.

Confirmation classes will take place on Sunday afternoons from 5 P.M. to 6 P.M. at varied locations, rotating among four District congregations.

**Reminder:** In order to receive the Sacrament of Confirmation, the Confirmand must come to class prepared and on time. All brief assignments for class must be completed within the designated time frame. The Confirmand is also expected to take active role in the life and governance of their home Parish. Only one unexcused absence is permitted, and arrival to class after 5:05 PM as well as unpreparedness, also counts as an absence.

**A Prayer  
by  
Francis De Sales**

Do not look forward to what may happen tomorrow; the same everlasting Father who cares for you today will take care of you tomorrow and every day. Either he will shield you from suffering, or He will give you unending strength to bear it. Be at peace then — put aside all anxious thoughts and imaginations, and say continually: The Lord is my strength and my shield; my heart has trusted in Him and I am helped. He is not only with me but in me and I in Him.

**For all that has been.  
For all that is.  
For all that is yet to be.**

## Outreach Report By Janet Beddoe: Feed My People!

The **Walk-In Dinner** on Sept. 30<sup>th</sup> at the Bergen County shelter in Hackensack was a grace-filled experience. It was the end of the month and a very busy time. We served 121 guests – although it seemed like more – but the only food we ran out of was salad dressing. Everyone was happy on this grey day to eat the comfort foods of sausage, pepper and potatoes, salads, rolls, cake and bananas.

It was a pleasure to see again our friends from the Lutheran Church of the Savior, Paramus, especially Laura and Norman Cardine, back from their long Florida stay of mercy only the previous day. I quote the Savior's wonderful coordinator, Carol, who emailed "What a blessing to be at the shelter in such a humbling way. Thanks for making it possible."

Can you match the St. Luke members to their fashionable headgear? *Clue:* servers were Edith Biondi, Maureen Bownes, Kay and Tammy Lynch and Jack and Greta Pallatta,. Thanks be to God for all those members who made dishes. They were eaten with gusto. I also wish to thank **Family Promise of Bergen County** who organizes the walk-in dinners for the needy in our area and makes this blessing possible.

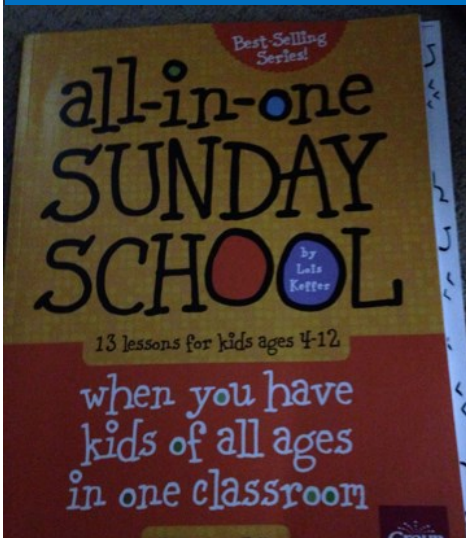

Now for the next important date – **Sunday, October 18<sup>th</sup>** – the North East Bergen CROP Walk to end hunger locally, nationally and globally. The walk will begin at the Presbyterian Church, Tenafly at 1:30 P.M. and end at St. Luke's Rectory where we will welcome walkers – human and dogs – with light refreshments. It's 4.3 miles and anyone who would like

to walk and raise money for the hungry, please see me **ASAP** for information, a map and a pledge envelope. If you would like to help serve or provide refreshments, please see Maureen Bownes or myself.

Remember! We assemble **Snack Packs** for needy children in some Englewood schools the fourth Sunday of every month. Next assembly is **October 25<sup>th</sup>**. Join the team!

## St. Luke's Sunday School Resumes

St. Luke's begins an All-in-One Sunday School program set up as 13 lessons that build on each other from week to week, but each lesson may also stand alone. Week 1 was "Caring for God's World."

Each lesson starts with scripture lessons, the first one with the two stories of creation in Genesis and Psalm 104. The students will be challenged to explore God's creation and their roles as children of God, the creator.

The curriculum will include activities and involvement based on students' abilities.

Licensed handouts will be completed each week. All elementary-aged children are welcome. It will be held during coffee hour on Sunday morning for approximately 1/2 hour.

Maya's Notebook  
by Isabel Allende

*Maya's Notebook* is a startling novel of suspense from *New York Times* bestselling author Isabel Allende.

This contemporary coming-of-age story centers upon Maya Vidal, a remarkable teenager abandoned by her parents. Maya grew up in a rambling old house in Berkeley with her grandmother Nini, whose formidable strength helped her build a new life after emigrating

from Chile in 1973 with a young son, and her grandfather Popo, a gentle African-American astronomer.

When Popo dies, Maya goes off the rails. Along with a circle of girlfriends known as "the vampires," she turns to drugs, alcohol, and petty crime--a downward spiral that eventually leads to Las Vegas and a dangerous underworld, with Maya caught between warring forces: a gang of assassins, the police, the FBI, and Interpol.

Her one chance for survival is Nini, who helps her escape to a remote island off the coast of Chile. In the care of her grandmother's old friend, Manuel Arias, and surrounded by strange new acquaintances, Maya begins to record her story in her notebook, as she tries to make sense of her past and unravel the mysteries of her family and her own life.

Gray Mountain

The year is 2008 and Samantha Kofers's career at a huge Wall Street law firm is on the fast track--until the recession hits and she gets downsized. Samantha is offered an opportunity to work at a legal aid clinic for a year without pay, after which there would be a slim chance that she'd get her old job back. Samantha moves from Manhattan to Brady, Va., population 2,200, in the heart of Appalachia. Mattie Wyatt, lifelong Brady resident and head of the town's legal aid clinic, is there to teach her how to "help real people with real problems." Her new job takes Samantha into the murky and dangerous world of coal mining....

## What a Pet Can Teach a Person About Stewardship

*Miss Zarah enjoying her fave resting position*

Cats do it, dogs definitely do it. Those are the only ones I can mention with any personal knowledge. They look at you with those soulful eyes, watching every movement of your fork toward

your mouth. Silently (or sometimes not), they say, "I'm your friend! Share your dinner with me!" Even just resting, they always manage to live their lives to the fullest.

Our St. Francis Sunday Blessing of the Animals reminds us that animal companions are completely dependent upon us for their shelter, their food, their medical care, their general wellbeing. What anyone who loves a pet knows is that for everything we give to them, they return it **tenfold**. **Like God's love for us all, their love is unconditional.**

Of course, that number 10 is definitely Biblical. As we approach our annual Stewardship Campaign at St. Luke's, we recall the Biblical directive to tithe – give back a tenth – as a sign of thanksgiving for all God has given us. God has made us stewards of this earth and everything in it. Give back your tithe prayerfully and joyfully – your time, your talents, your financial support – to our parish family as we strive to be the body of Christ in our part of the world.

**BIBLE WOMEN**  
ALL THEIR WORDS AND WHY THEY MATTER  
LINDSAY HARDIN FREEMAN

**1st and 3rd Tuesday of the month at 7:30 P.M. Next: October 6**

### ***Bible Women: All Their Words and Why They Matter***

In this groundbreaking book, Episcopal priest Lindsay Hardin Freeman identifies every woman who speaks in the Bible, providing their words, context, and historical background. We learn which women speak the most (hint: it's not Mary!) and which books of the Bible have the fewest words from women. We hear the only conversation in the Bible between a mother and daughter (and it's not pretty), the words of a woman who eats her own child, and the triumphant exclamation of a woman telling the world about the risen Christ.

Lindsay Hardin Freeman is an award-winning author who is passionate about the Bible women.
